

Cajun Belle Pepper

Plant size: About 2ft tall by 2ft wide

Pepper size: 2-3 inches

Color: Glossy red peppers if left on plant to full maturity.

Great for small Gardens or Containers.
Disease resistant

Heat level: Mild – Sweet with a slight kick

Great for snacking, or adding to any dish to spice it up.

Can be eaten at any stage (Lime green, orange or red), but will be the warmest when bright red.
