

Plant Sale

Sunpatiens Compact or Impatiens hawkeri hybrid

Matured size: 16-30 in tall, 14-20 in wide

Colors: Hot Coral, Orchid Blush, Purple (top to bottom)

Planting Spacing: 18-24 in apart

Grow best in sunny, partly shady areas.

Water daily for the first two weeks after planting, then only water moderately.

Drip irrigation is highly recommended to avoid over watering.

Companion Plants: Begonia, Calibrochoa, Petunia
